

Maintain the quality of your cargoes.

Tank Coatings

for Products & Chemicals.

EPICON T-500

EPICON T-800

GALBON S-HB

Tank Coatings

for Products & Chemicals.

Product range

Supported by a experienced CMP Tank coating team.

EPICON T-500

Pure Epoxy tank coating

Approval of
FDA & PSPC

Type of cargoes: **Petroleum based & Natural products**

Excellent Oil & water resistance

Excellent Anti-corrosive properties

Smooth and easy to clean surface

EPICON T-800

Phenolic Epoxy tank coating

Approval of
FDA & PSPC

Type of cargoes: **Broad range of chemical products**

Excellent chemical resistance against aggressive cargoes

Wide chemical cargo

Excellent crack and heat resistance

Smooth surface and good workability

GALBON S-HB

Inorganic zinc tank coating

Approval of
FDA

Type of cargoes: **Solvents & Chemical products**

Excellent physical property & heat resistance

Excellent resistance to methanol and other solvents

Extended in service period

Good anti-cracking properties

Maintain the quality of your cargoes.

Cargo Resistance

Excellent protection against a range of cargoes
