

August 2018

Dear valued customers,

We would like to announce that we are going to exhibit “ONS 2018”, which will be held from 27 to 30 August, 2018 in Stavanger, Norway. ONS Stands for Offshore North Sea, and the event has more than 40 years history. We are very proud to say that CMP will be part of this long history for the first time this year. At CMP booth, our high technological paints, which would contribute to the further development of renewable energy business, will be introduced.

Please refer to the details below, and we are looking forward to seeing you at our booth.
