

October 2018

Dear valued customers,

We would like to announce that we are going to participate in “Seatrade Maritime Middle East”, which will be held from 29 to 31 October, 2018 in Dubai, UAE. At Japan ship machinery and equipment seminar held during the period, we will introduce our latest antifouling 'SEA GRANDPRIX 880 HS PLUS' which demonstrates stable antifouling performance not only during normal operation but also during long-term anchorage.

Please refer to the details below, and we are looking forward to seeing you at our booth.
