Delivery delay expected <the record rainfall related>

Dear Valued Customer,

Thank you for your continued support to Chugoku Marine Paints.

As you may have already heard of, Japan lost many lives by the heavy rainfall we've just had in the West & Central part of Japan. As a company having a registered head office in Hiroshima, we would like to extend our deepest sympathy to the families in their loss and to those who are in the affected areas.

We would like to inform you that we have no serious damage to all our people as well as our offices and facilities located in Hiroshima, Shiga, Hyogo and Kyushu area, and we appreciate all your concern.

Due to overflow of many rivers and landslides in many areas, roads have been closed and it is expected that our paint delivery will be delayed according to the situation of transportation companies.

We will try our best to deliver our products in time as much as possible, however, we would like to have your kind understanding in case it is unavoidable to deliver our products with a delay. To avoid this, please send your order and confirm about delivery as earlier as possible before the date you expect delivery.

We apologize for any inconvenience this may cause and thank you in advance for your understandings.
